

Outdoor LIVING UPDATES

Patio Party

It's the perfect time to update your backyard! Start with a large seating set to anchor the space, then add some flare by mixing and matching fun chairs, tables, and accessories. Refreshing existing furniture is a breeze with 2 pack indoor/outdoor pillow sets starting at just \$24.99.

Don't be afraid to go bold with colour and texture!

Small Space, Big Style

Calling all city dwellers! Make the most of your square footage with inexpensive ideas that transform an outdoor space of any size. Capitalize on wall space by seeking out stylish outdoor wall storage to keep floors cute and clutter-free. Add outdoor string lights and planters in fun colours to instantly transport you to a tropical paradise. Mojito, anyone?
